The Curriculum

ENGLISH & MATHS

For English and maths this half term, we will be coming off curriculum to revise for our SAT's tests. We have now learned all Y6 content so will be applying our knowledge to test-style contexts and going over the tests.

FOUNDATION SUBJECTS

We will be teaching the following foundation subjects this half term. Please see the additional letter sent out for more information about foundation subjects.

In **PSHE**, our unit is 'Relationships'; we will be covering mental health, grief and identifying and managing power control.

In **RE**, we will be studying Hinduism and Islam. Our unit is 'Life Journey'.

In **computing**, we will be doing an introduction to python (a text-based coding language).

In **PE**, we will be developing our skills in football and athletics.

Message from Mrs Martin

Hello after another busy half term! The children have continued to work hard and flourish into excellent role models for the school.

Despite being the shortest term, Summer 1 will be one of the the busiest for the children. I know a lot of children are feeling stressed and anxious about their SATs. This is perfectly normal. Please try to reassure them that they have learned everything they need to and just need to try their hardest - this is all they can do! The practice over the next few weeks is to build confidence and help to make them feel more at ease.

I hope you all have a lovely Easter and fully indulge in eating lots of Easter eggs!

SAT's Week

Monday 11th May

GPS Paper 1 (Grammar and Punctuation) and Paper 2 (Spelling)

Tuesday 12th May

Reading

Wednesday 13th May

Maths Paper 1 (Arithmetic) and Paper 2 (Reasoning)

Thursday 14th May

Maths Paper 3 (Reasoning)

Routines and how you can help at home

Just as a reminder, this website is good for arithmetic revision: <https://mathsbot.com/primaryMenu>

And this one is good for maths reasoning and problem-solving: <https://corbettmathsprimary.com/content/>

Please try to ensure your child has excellent attendance - this is vital in ensuring they achieve their potential!
Many thanks for your continued support.
